There is a wide variety, designed to suit all occasions and complement the menus.

Wines are classified for ease of selection for specific events and different foods.

The choice of wines has been made with quality, character and variety in mind; all represent excellent value.

Please be aware that the vintages are subject to change without prior notice.

Rare wines, older wines that are currently 'drinking' and bin ends are available in small quantities on a 'pre-paid, fixed quantity reserved' basis. Please contact the Banqueting Manager for advice on price and current cellar stock availability.
