### BUSINESS RATES

All business bookings (e.g. meetings, conferences, events commercial classes and film/photographic shoots) taking place in rehearsal spaces and production offices are normally charged double the rehearsal rates shown.

### SUBSIDISED SPACE

Our seven rehearsal spaces are available for use at competitive rates, offering excellent facilities to professional theatre, opera and dance companies. While we do not “donate” or offer “free” space, we are sometimes able to help younger, emerging dance and theatre companies hire the same spaces at substantially reduced rates, sometimes up to 70% off the full rehearsal rates.

If you are interested in applying for subsidised space please email [space@jerwoodspace.co.uk](mailto:space@jerwoodspace.co.uk) with:

- A brief description of the project to be rehearsed or developed
- Proposed dates for the rehearsal/development period.
- The Size of space you require
- Your budget for space hire
