

## GALLERY AND GLASSHOUSE HIRE

Gallery I is the largest of our three, ground floor art galleries, and is available to hire along with the Glasshouse for private events starting from 18:00. The glass doors which separate these two spaces during the day can be opened up to make a large and interesting evening event space.

With its main entrance off Union Street, Gallery I is a unique space perfect for evening events such as dinners, drinks receptions and company presentations. The space is bright, often includes contemporary artwork, boasts a high, pitched ceiling and has four pillars along each of the two long sides of the room.

The Glasshouse is adjacent to Gallery I and is a modern, fully glazed space leading to our small courtyard and garden area. During the day the Glasshouse accommodates Café 171 customers, however, in the evening it can be hired for panel discussions, presentations, drinks receptions and small dinner parties. With its twinkling spotlights, and the feel that you are outside; the Glasshouse works perfectly as an evening bar and drinks area.
